

# When you believe

Whitney Houston / Mariah Carey

[Verse 1]

Am G Em Am  
1. Many nights we pray, with no proof anyone could hear,  
Am/G ~~Fmaj7~~ Dm7 Em  
in our hearts a hopeful song, we barely understood.

Am G Em Am  
Now we are not afraid, although we know there's much to fear,  
Am/G ~~Fmaj7~~ Dm7 Em Gsus4  
we were moving mountains long before we know we could. Oh, yes !

[Chorus]

C G#F  
There can be miracles ~~G#F~~ when you believe,  
Am Em ~~Fmaj7~~ G7sus4  
though hope is frail, it's hard to kill.

C G  
Who knows what miracles ~~Fmaj7~~ you can achieve  
Am Em ~~Fmaj7~~  
when you believe, somehow you will,  
Dm Gsus4 Am  
you will when you believe.
